

i20BL-e

Auto Scrubber

Eco-friendly smart and full-service cleaning for a fixed price per month! The i20BL-e i-Synergy is a brush-assist machine with an oversized tank capacity of 60 liters, a die-cast aluminium brush deck and curved squeegee for superior durability. The i20BL-e is easy to use and particularly maneuverable. It offers up to 45 kg of pad pressure for thorough scrubbing, and 2,5 hours of working time with the Li-ion battery.

Benefits

- Improves working efficiency due to oversized 60 liter solution tank
- State-of-the-art, user-friendly touch panel control system
- Die-cast aluminium brush deck and curved squeegee with up to 30 or 45 kg pad pressure
- Delayed vacuum motor shut off
- Optional chemical dosing system
- I-Synergy App for monitoring the machine(s).
- Working efficiency up to 2.000m²/hour
- Full-service RENTAL period includes service and parts

ICE i20BL-e comes provided with:

- Brush 20"
- Padholder 20"
- On-board charger
- 24V/60Ah Li-ion battery
