

# RIDE-ON SCRUBBERS

RS26L+  
RS32L+

**i-SYNERGY**  
Cleaning Management in Motion

## FEATURES

- One button programmed switch for training-free operation.
- On board chemical solution mixing system improves working efficiency.
- Touch panel control system is state-of-the-art and user friendly.
- Heavy duty structure for maximum durability.
- Tool free adjustable curved squeegee and blade replacement.
- Variable pad pressure up to 165 lb.
- Automatic braking and parking design.
- Emergency shutdown system and safety light.
- Compact design allows access to narrow aisles with maximum maneuverability.

ICE automatic scrubbers and  
cord electric equipment carry a  
**5 YEAR WARRANTY**

on all parts and labor with the exception of "wearables" such as brushes, pad drivers, hoses, belts, and switches.

Downtime is wasted time. Money spent on replacement parts takes away from your bottom line. At ICE, we understand that you use our machines as hard as possible to do your job, and we recognize that sometimes maintenance is a necessity. That's why our auto scrubbers and cord electric equipment come with a 5 year warranty. We have faith that we put out the best equipment possible, but if anything happens, we're here for you.
