

iP20

Floor Machine

The modern features, 5-year motor warranty, and value pricing of the iP20 low-speed floor machine make it the best buy on the market. The iP20 floor machine features a pad/brush speed of 175 rpm, a 20" deck, and a 19" pad driver. The 1.5 hp motor, Dual Capacitors, triple planetary steel gear box, and die-casted aluminum motor deck make it a proven daily-usage performer. Safe operation is built-in with a handle-mounted circuit breaker, a safety lock-out switch, and 50' yellow power cord. A large 5-gallon solution tank is an available option.

iP20
