

i18C

Cord-Electric Scrubber

The i18C cord-electric scrubber has easy operation with ergonomic handle and state-of-the-art controls. It's gear-driven brush motor with no belts to wear-out or adjust for long-lasting performance. The i18C also has easy access to internal components plus quick-change squeegee blades pads, and brushes (pad driver included).

i18C

Benefits

- Intuitive, ergonomic controls for simple operation
- Compact design to maneuver in tight spaces
- Long 82' power cord for fast, non-stop cleaning
- Parabolic squeegee for quick and complete solution pick-up
- Quickly change-out squeegees, pads, or brushes without tools
- Gear-driven brush motor for durability
- Filter assembly and auto-float shut-off protects vacuum motor
- 17" pad driver and aluminum squeegee assembly included
- Large opening on recovery tank for convenient cleaning

Technical Specifications

Model Type	USA	i18C
Voltage	VOLT	120
Cleaning Path	INCH	18
