### Battery Scrubber

The i18B battery scrubber has easy operation with ergonomic handle and state-of-the-art controls. It's gear-driven brush motor with no belts to wear-out or adjust for long-lasting performance. The i18B also has easy access to internal components plus quick-change squeegee blades pads, and brushes (one brush included).

Downtime is wasted time. Money spent on replacement parts takes away from your bottom line. At ICE USA, we understand that you use our machines as hard as possible to do your job, and we recognize that sometimes maintenance is a necessity. That's why our auto scrubbers and cord-electric equipment come with a 5 year warranty. We have faith that we provide the best equipment possible, but if anything happens— we're here for you.
