

# i20NB

## Walk-Behind, Pad-Assist Auto Scrubber

The i20NB is a pad-assist unit with an oversized tank capacity of 15-gallons, a die-cast aluminum brush deck and curved squeegee for superior durability. It offers up to 99 lbs of pad pressure for thorough scrubbing, and 30 more minutes of battery time than the self-propelled version.

# i20NB

## Benefits

- Intuitive, ergonomic controls for simple operation
- Large 15-gallon solution tank improves working efficiency
- Two pad pressure settings for flexible cleaning
- Batteries, on-board charger, pad driver, and squeegee assembly included
- Quickly change-out squeegees, pads, or brushes without tools
- Filter assembly and auto-float shutoff protects vacuum motor
- Heavy-duty die-cast aluminum brush deck
- Front red strobe light supports safety while cleaning

## Technical Specifications
