## Walk-Behind, Traction-Drive Auto Scrubber

i20NBT is a self-propelled unit designed specifically for professionals like cleaning contractors. We know a busy schedule can mean that doing a job with speed is often as important as doing it well. That's why the i20NBT has an oversized tank capacity of 15 gallon, up to 99lb of pad pressure, and parts made of die-cast aluminum and steel. This machine is durable, efficient, and easy to transport.
