

# RS26+

## 26" Rider Scrubber

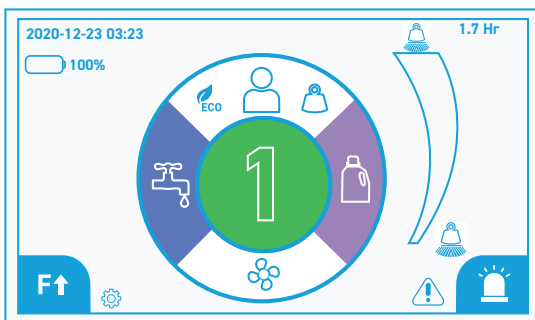

The RS26+ rider auto scrubber is the smaller more compact brother of our RS32+ model. Like the RS32+, the RS26+ is fully automated with a one-button programmable switch, a three-setting pad pressure of up to 165lb, and our digitized (1% to 5%) solution mixing system. The RS26+ has a more compact deck that allows the RS26+ to fit in those tighter spaces that the RS32+ can not reach.

# RS26+

## Benefits

- One button programmable switch for training-free operation
- On-board digital solution mixing system improves working efficiency
- Touch panel control system is state-of-the-art and user friendly
- Heavy-duty construction for maximum durability
- No tools needed for changing parabolic squeegee blades
- Variable pad pressure up to 165 lbs
- Gimbal-mounted pad drivers for easy pad loading/unloading and better scrubbing performance
- Automatic braking and parking
- Emergency shutdown system and safety lighting
- Compact design enables cleaning of narrow aisles and tight areas with maximum maneuverability

## Touchscreen Interface

- |                        |                          |
|------------------------|--------------------------|
| Settings               | Heavy Mode               |
| 1.7 Hr Hour Meter      | User Mode                |
| Fault Indicator        | ECO Mode                 |
| Vacuum Motor 5a` fca^  | Solution Flow Control    |
| 1-Touch Scrubbing      | Deck Pressure Setting    |
| F↑ Forward and Reverse | Detergent >WfW 3Vgef_ Wf |
|                        | Working Light control    |

## Technical Specifications

Model Type	USA	RS26+
System Voltage, DC	VOLT	24
Cleaning Path	INCH	26
Drive System	TYPE	TRACTION-DRIVE
Pad Size (2)	INCH	13
Pad Drivers, Gimbal mount (2)	INCH	12
Pad Pressure, Variable	LB	77/121/165
Squeegee	INCH	40.5
Drive System	HP	1.14
Brush Motor	RPM	210
Vacuum Motor, Waterlift	HP	77/121/165
Solution Tank	GALLON	28.5
Recovery Tank	GALLON	27.5
Standard Batteries (4)	V/AH	4-6V, 305ah WET/L.A
Charger, On-board	AMP	25
Sound Level	DBA	68
Weight without batteries	LB	639
Weight with batteries	LB	904
Run Time per charge	HOUR	3-3.5
Speed Control, (Variable up to)	MPH	4
Cleaning Productivity	FT <sup>2</sup> /HR	46,300
Grade Level	%	7 - SCRUBBING 17.5 - TRANSPORT (EMPTY)
Sizes	LXWXH INCH	62x40.5x55.5
