

iE410

Carpet Extractor

The iE410 self-contained carpet extractor is the perfect combination of our industry experience and knowledge. It simultaneously balances 100 psi of solution pressure, chevron-brush agitation, and powerful vacuuming for deep carpet cleaning. This compact extractor is built to last with a stainless-steel vacuum shoe and stainless quick-disconnect spray jets and a 5-year motor warranty. Its 3-stage tangential vacuum motor leaves carpet clean and virtually dry. With 10" stair-climbing wheels, the iE410 maneuvers and transports well.
