

i28BT

Traction Drive Auto Scrubber

The i28BTL is designed to work well in large facilities with a few tight spots due to the 28 inch cleaning width. You'll have spotless floors even in the smallest spaces. Easy to maneuver, and designed with easy to read icons on the control panel—making it a great addition across all industries like healthcare, education, and industrial.

Downtime is wasted time. Money spent on replacement parts takes away from your bottom line. At ICE USA, we understand that you use our machines as hard as possible to do your job, and we recognize that sometimes maintenance is a necessity. That's why our auto scrubbers come with a 5 year warranty. We have faith that we provide the best equipment possible, but if anything happens— we're here for you.
