

## iB1500

### Floor Burnisher

The iB1500 is a simple easy to use Floor Burnisher, equipped with a durable rectified AC motor. The 1.5 HP motor makes for an effective high-gloss polishing. Adjustable wheels for consistent pad pressure. Easy 1 pin foldable handle, for tight compact storage. The 50ft safety yellow extension cable included, means there will be less down time, due to the durability our extension cable provides.

Downtime is wasted time. Money spent on replacement parts takes away from your bottom line. At ICE USA, we understand that you use our machines as hard as possible to do your job, and we recognize that sometimes maintenance is a necessity. That's why our auto scrubbers and cord-electric machines come with a 5 year warranty. We have faith that we provide the best equipment possible, but if anything happens— we're here for you.

# iB1500

## Benefits

- Powerful 1.5 hp direct-drive motor for effective high-gloss floor polishing and finishing
- Adjustable pad pressure system for consistent burnishing performance
- Long life induction motor requires less maintenance
- Fold-down handle for convenient storage and transport
- Quiet operation at only 62 dBA
- Handle-mounted circuit breaker and safety lock-out switch ensures safe operation
- Easy-to-use fingertip controls
