i20NBVT

Traction Drive, Lithium Powered Auto Scrubber

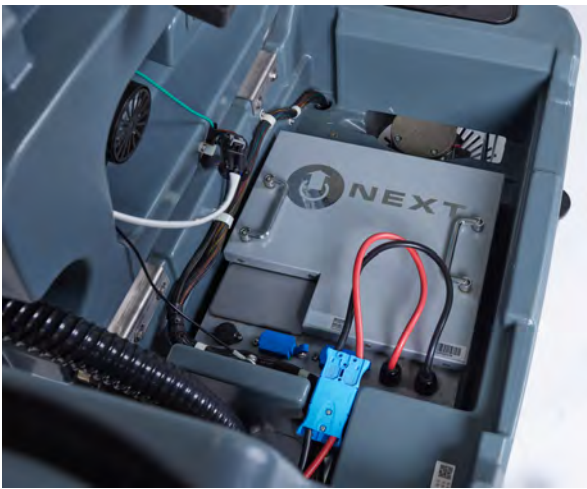

The i20NBVT is 20" traction drive contractor grade auto scrubber built for the person looking for great quality at a great price. It comes with a heavy duty cast aluminum deck and squeegee assembly, large and thick roto-molded tanks, and a price to get your attention.

Downtime is wasted time. Money spent on replacement parts takes away from your bottom line. At ICE USA, we understand that you use our machines as hard as possible to do your job, and we recognize that sometimes maintenance is necessary. That's why our auto scrubbers come with a 5 year warranty. We have faith that we provide the best equipment possible, but if anything happens— we're here for you.
